Direct Home Mortgage Payments by Debtor Required.

On the Petition Date, the Debtor owed the following claims secured only by a security interest in real property that is the Debtor's principal residence. The listed monthly payment amount is correct as of the Petition Date. Such mortgage claims (other than related Cure Claims addressed in § 3.2), shall be paid directly by the Debtor in accordance with the pre-petition contract, including any rate changes or other modifications required by such documents and noticed in conformity with any applicable rules, as such payments become due during the Plan Term. The fulfillment of this requirement is critical to the Debtor's reorganization effort.

Any failure by the Debtor to maintain payments to a mortgage creditor during the Plan Term may preclude confirmation of this Plan and, absent a subsequent surrender of the mortgage premises, may preclude the issuance of any discharge order to the Debtor under § 1328(a).* The Trustee will monitor the Debtor's fulfillment of this direct payment obligation ("DPO").
